

Supporting our Community

The Combined Locks Advancement Association was established in 1966 as the Combined Locks Jaycees. The name of the organization was changed in 1972 to Combined Locks Advancement Association.

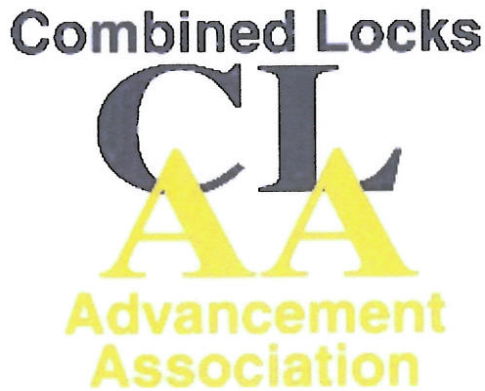

The Advancement Association is a non-profit organization which derives 100% of it's revenue from the hard work of dozens of volunteers in the concession stand at Memorial Park.

In 2012 members of CLAA donated in excess of 1,500 hours to maintain and support the outstanding youth programs and recreational facilities in our community.

2012 distribution of net receipts

- Park Improvements 54%
- CL Rec Dept. Donation 11%
- Scholarships 8%
- Tournaments 20%
- Other Donations 7%
