

Sec. 13-1-181 Outside Storage of Firewood.

- (a) No person shall store firewood in the front yard on residentially zoned property, except that firewood may be temporarily stored in the front yard for a period of thirty (30) days from the date of its delivery.
- (b) Firewood should be neatly stacked and may not be stacked closer than two (2) feet to any lot line and not higher than six (6) feet from grade, except adjacent to a fence where firewood can be stacked against the fence as high as the fence. Fences as used in this Section shall not include hedges and other vegetation.

Zoning Code

13-1-181

- (c) All brush, debris and refuse from processing of firewood shall be promptly and properly disposed of and shall not be allowed to remain on the premises.
- (d) Woodpiles that contain diseased wood that is capable of transmitting disease to healthy trees and woodpiles that harbor or are infested or inhabited by rats or other vermin are public nuisances and may be abated pursuant to the provisions of this Code of Ordinances.
- (e) No person shall store in the open more than three (3) full cords of firewood in a residential district or use more than fifteen percent (15%) of the side and rear yard for storage.
